# Our conference facilities and how to find us

We've been helping members of the Police Service and their families with their finances since 1922. Today, with over 210,000 members of the Police Service trusting us with their savings, investments and insurance, we're the UK's largest affinity friendly society. Our members are at the heart of everything we do, which is why our meeting space is free for our members to use.

## Our facilities

We completed an award-winning extension to our Alexandra House headquarters in 2000, which includes the Lord Knights Room, a purpose-built meeting and conference suite. Our aim was to have a meeting space that we and our members could use free of charge as and when needed.

Our Lord Knights Room is located on the top floor of the building and can accommodate 80 delegates theatre style, 30 delegates boardroom style or a drinks or buffet reception for up to 100 delegates.

We offer the latest technology and comfort, including WiFi access, digital or overhead projection, surround sound, air conditioning, self-contained cloakroom facilities and CCTV.

Outside the room, we have an internal balcony overlooking our atrium and an outside roof terrace, both of which work perfectly for refreshment break areas.

## Our services

As well as helping you to plan how you'll use the meeting space, we can arrange catering with our local suppliers and provide some onsite car parking (alternative car parking is also available nearby).

We can also provide speakers to talk to your delegates about how Police Mutual can help them if you have a spare slot for us!

## Our location

Centrally located in Lichfield, Staffordshire, we're ideally situated for Police conferences and meetings.

We're within reach of all the major north to south motorway routes, just over 20 miles from Birmingham International Airport and Railway Station and also connected to Birmingham New St Station via Lichfield City Railway Station.
